

Anita Harris (MSc Applied Social Research)

Manager Ashleigh House, Coolmine

Anita co-authored the Coolmine Longitudinal Outcomes study '*Pathways Through Treatment*'. With a background in social research Anita has also published research on The Introduction of Mindfulness Based Relapse Prevention into a Therapeutic Community and is currently undertaking a research project on the Parents Under Pressure programme in Coolmine.

Anita has multiple roles in her current acting Service Manager position in Ashleigh House, the only Mother and Child residential addiction treatment service in Ireland. These include the delivery of the Parents Under Pressure programme, delivery of Mindfulness programme and Data Analyses.

Peter Moylan

Coolmine Outreach Coordinator

Peter is a TC and CRA practitioner who has previously worked as a keyworker in Coolmine Lodge. Peter's current role extends to conducting assessments, facilitating pre-entry groups, coordinating admissions into the residential services, in-reach to the Dublin prisons and facilitating the 'Choice and Challenge' programme in collaboration with the local probation office in Blanchardstown.

Treacy Cagney (MSc Drug and Alcohol Policy)

Outreach and Nurse Manager, Coolmine

Treacy manages the Outreach, Nursing Services, and Community Alcohol Programme, and is currently acting Operations Manager for Ashleigh House. Treacy's special interests in addiction include women, pregnancy, dual diagnosis and Specific Learning Difficulties.
